Ridin' The Storm Out

REO Speedwagon

Ridin' the storm out, waitin' for the thaw out
On a full moon night in the rocky mountain winter
Wine bottle's are low, watching for the snow
Thinking about what have I've been missing in the cityAnd I'm not missing a thing
Just watchin' the full moon crossing the range
Ridin' the storm out, ridin' the storm out
Ridin' the storm out, ridin' the storm outLady beside me and she's there to guide me
She says that alone we've finally found our home
And the wind outside is frightening
But it's kinder than the lightning life in the city
It's a hard enough to live but it gives back of what you giveOh when I'm not missing a thing
Just watchin' the full moon crossing the range
And I'm ridin' the storm out, ridin' the storm out
Ridin' the storm out, ridin' the storm out, woah, yes I'm babyRidin' the storm out, just waitin' for the fall out
On a full moon night in the rocky mountain winter
Wine bottle's are low, just watching for the snow
Thinking about what have I've been missing in the cityOh, oh, oh and I'm not missing a thing baby
Just watchin' the full moon crossing the range
Ridin' the storm out, ridin' the storm out, oh yeah
Ridin' the storm out, I've been ridin', gonna keep on ridin'
Ooh baby I've been ridin' the storm out, yes I will
