

Now Or Never

Zac Efron

Sixteen, sixteen minutes left, better get it done
Sixteen, sixteen, sixteen more minutes, get ready, game on
Sixteen, sixteen, sixteen minutes left, running out of
time
Sixteen, sixteen, sixteen more minutes till it's on the line
Sixteen, sixteen, sixteen minutes left, gotta get it done
Sixteen, sixteen, sixteen more minutes till we're number 1
(Let's go team!) Gotta get it together
Yeah, pull up and shoot, score!
Are ya ready? Are ya with me?
Team team team, yeah! Shake em with the crossover, Wildcats!
Tell me, what are we here for? To win!
Cause we know that we're the best team
Come on boys, come on boys, come on! The way we play tonight is what we leave behind
It all comes down to right now, it's up to us
So what are we gonna be? T-E-A-M, Team!
Gotta work it out, turn it all around! This is the last time to get it right
This is the last chance to make it our night
We gotta show what we're all about
Work together This is the last chance to make our mark
History will know who we are!
This is the last game so make it count
It's now or never W-I-L-D, Wildcats! You know you are!
W-I-L-D, Wildcats, come on, come on!
West High Knights, hey, yeah we're doin' it right, oh yeah!
W-I-L-D, Wildcats, now's the time! Gotta get it inside, down low
In the paint, now shoot, score
Gotta work it together
Gimme the ball, gimme the ball, gimme the ball Fast break, get the ball in control
Let it fly from downtown, 3, 4!
Show 'em we can do it better
Go go go, come on boys, Wildcats! The way we play tonight is what we leave behind
It all comes down to right now, it's up to us
So what are we gonna be? T-E-A-M, Team!
Gotta work it out, turn it all around! This is the last time to get it right
This is the last chance to make it our night
We gotta show what we're all about
Work together This is the last chance to make our mark
History will know who we are
This is the last game so make it count

It's now or never
Right now I can hardly breathe
Oh, you can do it, just know that I believe
And that's all I really need
Then come on, make me strong
It's time to turn it up, game on!
Wildcats gonna tear it up!
Go Wildcats! Yeah, we're number one!
Hey Wildcats, we're the champions!
Go go go go go go team, oh!
West High Knights, hey!
Yeah we're puttin up a fight!
(Wildcats!)
We never quit it, gonna win it!
Let me hear ya say hey hey hey hey hey!
This is the last time to get it right
This is the last chance to make it our night
We gotta show what we're all about
Work together
This is the last chance to make our mark
It's the week we'll know who we are!
This is the last game so make it count
It's now or never, yeah!
