

Missing You

[Amy Grant](#)

Your smile lights up a room like a candle in the dark
It warms me through and through
And I guess that I had dreamed we would never be apart
But that dream did not come true And missing you is just a part of living
And missing you feels like a way of life
I'm living out the life that I've been given
But baby I still wish you were mine And I cannot hear the telephone jangle on the wall
And not feel a hopeful thrill
And I cannot help but smile at any news of you at all
And I guess I always will 'Cause missing you is just a part of living
And missing you feels like a way of life
I'm living out the life that I've been given
But baby I still wish you were mine, hey Missing you is just a part of living
And missing you feels like a way of life
I'm living out the life that I've been given
But baby I still wish you were mine
I'm living out the life that I've been given
But baby I still wish you were mine
