

Falling Awake

Kaiser Chiefs

That was then but this is now
What's really changed
Black is black and white's still white
And gray is a waste I go back, to my own time
And I see her again
Now I fall to her eyes
I'll see you on the way down She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake Pick it, put it away
I'll never find it again
I would like to take you back
I'll see you at the hay stacks
Like a scene from the wild west
Falling off the saloon
A hypnic jerk and clutching my chest
I see you on the way down She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake I'm falling, I'm falling
I'm Falling awake
You got me Falling awake
I'm falling, I'm falling
I'm Falling awake
You got me Falling awake! She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake She's got me falling, oho
She's got me crawling, oho
She's got me falling, oho
Falling awake
