

My Posse Can Do

Tori Amos

I don't know what you've been saying
I don't know why I've been staying
I got me some better things to do
I do mind what you've been saying
I don't know why I've been staying
I got me some better things to do
Tippy tippy tay
Tippy tippy to
Tippy tippy tay all over the world
There be things that my posse can do
Tippy tippy tay
Tippy tippy to
Tippy tippy tay all over the world
There be things that my posse can do Save yourself a lie
See it in your eyes
You been having you wonderful crimes
She can flip her hair
I can flip you off
You got talents
But baby I'm thinking they're not enough I don't know what you've been saying
I don't know why I've been staying
I got me some better things to do
I don't do so well in traffic
Or with the leaders who don't have it
I got me some better things to do
Tippy tippy...etc Formula one racer or the pope
Presidential posts you say aren't for girls
That's the way it's been
Up until today
There's another way
Maybe this girl got a taste of his plate/taste of this boy??? I don't know what you've been saying
I don't know why I've been staying
I got me some better things to do
Prophets they say a hallelujah
????????????????????
All them things that your posse can do Tippy...etc There be things that my posse can do
