This is the day that the Lord has made.
We will rejoice and be glad in it.

This is the day that the Lord has made.
We will rejoice and be glad in it.

The Lord is my strength and my cup, He is my salvation.

I will not die but live and will proclaim what the Lord has done.

This is the day that the Lord has made.
We will rejoice and be glad in it.

This is the day that the Lord has made.
We will rejoice and be glad in it.

All but for me the gates, the gates of righteous.

I will enter, I will enter and give my thanks to the Lord.

This is the day that the Lord has made.
We will rejoice and be glad in it.

This is the day that the Lord has made.
We will rejoice and be glad in it.

This is the day that the Lord has made.
We will rejoice and be glad in it

This is the day that the Lord has made.
We will rejoice and be glad in it.
