## William Mueller / SPITZE!

The streets were dark and the night was cold and yet I walk alone  
I saw the lights of a cozy place with lanterns all aglow  
Somebody cried, "Don't wait outside, come say, hello" The people there, they were singing songs I knew when I  
was young  
And from the jukebox I heard the sounds, I needed to recall  
I sang along with every song, I knew them all Come share the wine  
No one is a stranger here, they're your friends and mine  
Everyone's your brother, we're a long way from home  
And we need each other, have no fear, you're welcome here Come share the wine  
It's so nice and warm in here, we're happy and kind  
We can understand that you're a long way from home  
But we have each other, have no fear, you'll like it here It's not so easy to feel at home when home's so far away  
When all the longing and all the wanting is for yesterday  
You've made me find some peace of mind I'd like to stay The world seems colder when you're a stranger from a  
foreign land  
You need to feel that someone cares and that they understand  
Many a tear would disappear if we joined hands Come share the wine  
No one is a stranger here, they're your friends and mine  
Everyone's your brother, we're a long way from home  
And we need each other, have no fear, you're welcome here Come share the wine  
It's so nice and warm in here, we're happy and kind  
We can understand that you're a long way from home  
But we have each other, have no fear, you'll like it here
