Enkay47- Lesson Learned

Yeah, it's a lesson learned,
Yeah, it's a lesson learned....

U ever been with somebody that never loves u back?
U ever wanted somebody that never wants u back?
Now as soon as u leave em, it's like they want u back,
Yo, I ain't dealing with this shit, Ive had enough of that,
I ain't dealing with your shit, u don't deal with mine,
Yeah, where the fuck is the contract?
I'm about to sign...
Cuz everytime I try to talk your like a fuckin mime,
Haha, See u missed your line...
And I'm just done with this,
U put the snuff, in Snuffleupagus,
Ill upper cut u in the stomach bitch,
What the fuck is up with this?
I'm just so fuckin pissed,
U wanna be a fuckin slut, u can suck a dick,
I hope u get fuckin aids,
I hope u have a miscarriage on a fuckin date,
Don't u feel my rage?
Yeah, Don't u feel my hate?
Yeah, Don't u feel my pain?
There ain't no way that u can feel it so get out my face,
Yeah, u told me we were meant to be,
U said that u would never leave, u would never cheat,
That's a fuckin lie,
How u gonna tell me this shit when u messin with another guy?

I don't wanna see u again, no,
Yeah, it's a lesson learned,
I will never love u again, no,
Yeah, it's a lesson learned,
I don't wanna be with u again, no
Yeah, it's a lesson learned,
I will never trust u again, no,

Yeah, it's a lesson learned.

Here's a confession i been meaning to make,
I never treated u the best,
I never treated u great,
I was never Mr. Perfect, I'm a bit overweight,
And not to mention, I get jealous,
Yeah I made a mistake,
But u know I was always down for u,
Here's a crown for u,
I'm your king, your my queen,
I looked out for u,
This is how I'm fuckin repaid?
I'll fuckin drown for u,
I'll put a gun to my head and I'll pull it now for u,
Yeah, U remember when we first met?
I gave u everything I had,
U was worth that,
U supported me and my music,
U said I'm worth that,
Now u tryna say when u cheated on me I'm worthless,
Yeah, it's just the way life goes,
And even after 4 years u decided to go,
I shoulda listened when they said,
"U not a bride, u a ho,"
I guess it's too late,
I'm on this side of the road,
A lesson learned...

I don't wanna see u again, no,
Yeah, It's a lesson learned,
I will never love u again, no,
Yeah, It's a lesson learned,
I don't wanna be with u again, no
Yeah, It's a lesson learned,
I will never trust u again, no,
Yeah, It's a lesson learned.

U broke my love, U broke my trust,
U broke my heart, U broke up us,
And I don't think I'll ever trust,
Anyone else, it's a lesson learned.
U broke my love, U broke my trust,
U broke my heart, U broke up us,
And I don't think I'll ever trust,

Anyone else, it's a lesson learned.

That's why I named myself after a gun,
So u can put it to your head and pull the trigger u cunt,
I want u to end your life,
I don't just say it for fun,
I say it cuz I'm being genuine,
Then maybe for once,
U could help someone besides yourself,
U end your life, oh well,
I just wanna help u with the pain,
I'm just tryna help,
So here's a gun, I'ma leave it on the table,
I'ma leave u by yourself...haha.

I don't wanna see u again, no,
Yeah, it's a lesson learned,
I will never love u again, no,
Yeah, it's a lesson learned,
I don't wanna be with u again, no
Yeah, it's a lesson learned,
I will never trust u again, no,
Yeah, it's a lesson learned.
