Funny How Time Slips Away

Bryan Ferry

Well hello there
My it's been a long long time
How am I doin'
Well I guess Im doin' fine
It's been so long now and it seems that
It was only yesterday
Yeah, ain't it funny how time slips awayHow's your new love
I hope that he's doin' fine
I heard you told him
That you'd love him till the end of time
Well you know, that's the same thing
That you told me
Seems like just the other day
Yeah, ain't it funny how time slips awayI gotta go now
Guess Ill see you hanging 'round
Don't know when though
Never know when Ill be back in town
But I remember what I told you
That in time, it's going to be okay
Yeah, ain't it funny how time slips away
Yeah, ain't it funny' how time slips right on, slips right on
Away, away, away
