This Is England

Red.Was.Here

look at me what do you see
look at me and i cant believe what you have said
and what you have done so
you're starting to scare me
you're starting to scare me so much i cannot breathi'm better than you
i'm better than you
three tracks is nothing 'coz we are the kings
i'm better than you
i'm better than you
i'm better than you so this is englandThis is England
This is Englanddon't provoke what you can't see
don't you know it just is me
you can't believe what i said
its not the way that you walk
its just the way that you talk
you seem to think your much better than mei'm better than you
i'm better than you
three tracks is nothing 'coz we are the kings
i'm better than you
i'm better than you
don't you just speak 'coz i'll rip you apartThis Is England
This Is England
This Is England
This Is EnglandWhat is this nation
What is the cause
Who are these people
This is England
What is this nation
What is the cause
Who are these people
This is England
What is this nation
This is EnglandThis Is England
This Is England
