

Dream On Little Dreamer

Perry Como

Dream on, little dreamer dream on
Dream on, little dreamer dream on
I get a heart full of butterflies lookin' into your dreamy eyes
Dream on
(Dream on)
Little dreamer dreamer on Dream on, little dreamer dream on
Dream on, little dreamer dream on
Dream about a love so true, dream about how I love you
Dream on
(Dream on)
Little dreamer dreamer on You know I love you, I love you, I need you so bad
Each night I realize a-when you close your dreamy eyes Dream on, little dreamer dream on
Dream on, little dreamer dream on
Dream about a love so fine, sweet as apple berry wine
Dream on
(Dream on)
Little dreamer dream on
Little dreamer dream on
