

# Whole New You

Shawn Colvin

You have the right to get down on your knees  
You have the right to make yourself believe  
You don't know my name  
But I don't care You can do it  
Cause you have the right  
To shake the loneliness and shine the light  
Take all your tears save 'em for a rainy night Go and wish on every star that's fallen  
Shake your head and wonder when it's all too good to be true  
Like a whole new you  
So don't lose the way You can do no wrong  
And don't spend your days just trying to be strong  
When you don't know your name  
You know it's okay, you can do it Cause you have the right  
To shake the loneliness and shine the light  
Take all your tears save 'em for a rainy night  
Go and wish on every star that's fallen Shake your head and wonder when it's all too good to be true  
Like a whole new you  
It's too good to be true  
Like a whole new you Shake the loneliness and shine the light  
Take all your tears save 'em for a rainy night  
Go and wish on every star that's fallen  
Shake your head and wonder Shake your head and wonder baby  
Go and wish on every star that's fallen  
Shake your head and wonder when it's all too good to be true  
Like a whole new you It's too good to be true  
Like a whole new you
