I Believe In a Thing Called Love

The Darkness

Can't explain all the feelings that you're making me feel
My heart's in overdrive and you're behind the steering wheel

Touching you, touching me
Touching you God you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!

I want to kiss you every minute, every hour, every day
You got me in a spin but everything is A.O.K!

Touching you, touching me
Touching you God you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!

Touching you, touching me
Touching you God you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!
