Stay Close To Me

The Impressions

Oh baby, Can't you see what your doin to the boy
Oh child, you have brought me so much joy
and im so happy to be here by your side
please stay close to me
baby
without your lovin this cant exist
oh child
you have brought me so much tenderness
you make my life seem brighter
what was gorgeous now becomes lighter
please stay close to me
baby doll, honey child, always be close to me
baby doll, honey child, always be close to me
and im so happy, to be here by your side
please stay close to me
baby doll, honey child, always be close to me
baby doll, honey child, always be close to me
baby doll, honey child, always be close to me
