

Love Is Pure

[Robyn Lynch](#)

Verse

I don't want to fight this
I don't want to rule out
I just want to believe
Every little gesture
Every touch of kindness
Everything I feel is real

Chorus

But if I let go
If I let you in
Will you show me truth?
Or will you show me sin?
Will your heart be sincere?
Is it part of your lure?
To pretend that your love
Your love is pure
Verse
I don't want to play games
I don't like surprises
I want everything to be clear
We all have our secrets
We all have our past
I need to know is this real?
