

# Stand By Me

Oasis

Made a meal and threw it up on Sunday  
I've gotta lot of things to learn  
Said I would and I believe in one day  
Before my heart starts to burn So what's the matter with you?  
Sing me something new, don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Times are hard when things have got no meaning  
I've found a key upon the floor  
Maybe you and I will not believe in the things we find  
Behind the door So what's the matter with you?  
Sing me something new, don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows  
Yeah, nobody knows, the way it's gonna be If you're leavin', will you take me with you?  
I'm tired of talkin' on my phone  
There is one thing I can never give you  
My heart will never be your home So what's the matter with you?  
Sing me something new, don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows  
Yeah, nobody knows, the way it's gonna be  
The way it's gonna be, maybe I can see, yeah Don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows  
Yeah, God only knows the way it's gonna be
