Mista Bob Dobalina, won't you quit?
You really make me sick with ya fraudulent behavior
You're gonna make me flip and then an army couldn't save yaWhy don't you behave ya little Rugrat?
Take a little tip from the tabloid, because I know I'm not paranoid
When I say I saw ya tryin' to mock me
Now you and your crew are on a mission tryin' to hawk meBut it isn't happenin' ya fraudulent foes
You used to front big time now I suppose
That everything's cool since the style of apparel you adopted
You used to make fun of but now you wanna rock itSo you gotta kick it with the homies
But D E L is already hip to your cronies
Me and C M P X thought about this and never have we seen a
Brother who could look like Mista, Mista, Mista DobalinaMista Dobalina, Mr. Bob Dobalina
Mista Dobalina, Mr. Bob Dobalina
Mista Dobalina, Mr. Bob Dobalina

You thought you could fool me, ooo, ooo, Mista Dobalina
Teacher used to put me on a stump
And then he schooled meFriends can be fraudulent, just you wait and see
First he was my moneygrip then he stole my honeydip
Mista Dobalina is a serpent, don't you agree?
The little two-tima, resembles Aunt Jemima?With jeans and a dirty white hoodie
Seems like he wouldn't be a snake or would he?
Disguises come in all sizes and shapes
Notice the facade of the snakesThey all catch the vapes
Even though last year they was G Q
Took a lot of time
Before the D E L could see throughThe mask, all I had to do was ask
The hamper worth and Kwame
And my man responded they would bomb a
Fraudulent foe with the strength of HerculesThe way ya on my dick must really hurt ya knees
You need to take heed and quit being such a groupie
Ever since I did a little show in Guadeloupee
I neva saw a groupie like youBut what is funny is
Ya wanted to be down with my crew
But D E L is not down
With any clowns or jestersSo I would suggest that ya try to impress uncle Fester Dobalina
Because ya don't impress me Dobalina
The style of dress is not the key Dobalina
It's all in the mind and the heart, so you should start
By remembering ya gotta pay a fee DobalinaMista Dobalina, Mr. Bob Dobalina
