Vigil

Nancy Walker

Our father thy will be doneI have denied, this life it's worth
I will not be the victim
Sickness to you my master
Here's to getting worse
Hope it kills you fasterShow me how it hurts
To rot from the inside out
This vigil burns
Until' the day our fires overtake you
Our father we forsake youBlessed be his name
Nothing now the same
Alright (Incomprehensible)Ask me why I hate?
Why I've prayed to see the nation that I love disintegrate
And gladly give my life
That revolution regeneratesIn honor of the strife of those who've died
In generations before for your blood stained glory
I reject you, I deny you
I defy you to continue, I defy you to continueIn honor of the strife of those who've died
In generations before for your blood stained glory
I reject you, I deny you
I defy you to continueSmite the shepherd and the sheep will be scattered
