

Wagon Wheel

Lou Reed

Won't you be my wagon wheel
Won't you tell me, baby, how do you feel Yeah, you got to live, yeah, your life
As though you're number one
Yeah, you got to live, yeah, your life
And make a point of having some fun But if and you think
That you get kicks from flirting with danger
Danger, ooh
Just kick her in head and rearrange her Oh, Heavenly Father, what can I do
What she's done to me is making me crazy
Oh, Heavenly Father, I know I have sinned
But look where I've been, it's making me lazy Won't you be my wagon wheel
Won't you tell me, baby, how does you feel You got to live, yeah, your life
As though you're number one
Yeah, you got to live, yeah, your life
And make a point of having some fun But if and you think
That you get kicks from flirting with danger
Danger, ooh
Just kick her in head and rearrange her And then why don't you wake me, shake me
Please, don't you let me sleep too long
Why don't you wake me, shake me
Please, don't you let me sleep too long Don't wanna miss it now, wake me, shake me, baby
Please, don't you let me sleep too long
Now I wanna know why don't you wake me, shake me
Please, don't you let me sleep too long Why don't you wake me, shake me
Please, don't you let me sleep too long
Why, why don't you wake me, shake me
Please, don't you let me sleep too long Why don't you wake me, shake me
Please, don't you let me sleep too long
Why, why don't you wake me, shake me
Please, don't you let me sleep too long
