Gorgeous/Grotesque

Company Of Thieves

There's nothing more gorgeous or grotesque than the sight of the garbage dumped on the sides of the railroad tracks
In the morning, on my way to work, I see them- little lumps- just glittering in the sunshine
What a messy way to say thank you
What a messy way to say anything
Oh, we need a closenessThere's nothing more helpless or hopeless than the birds of the city streets, with the dirt on their heavy wings
In the evening, on my way to sleep, I hear them- screaming out into a bitter melody
What a messy way to say thank you
What a messy way to say anything
Oh, we need a closeness'Cause when I wake
I am so far from reach
I am so far fromAh, we need a closeness, a harmless closeness
Oh we need a closeness, a harmless closeness!
