Deliverance

Superheist

Open your eyes to realize that
There's a broken mind for mankind
Hypocrisy for the masses
A cultured virus distracts usCan you walk the demon walk
Can you talk that silent talk
Respect don't expect it's time
Evolution of the mindHey, yeah, you're the prize recruit
Well are you ready to break
Every rule that they make
Don't try to pacify meTurn up loud, turn up proud
To gather around broken shrouds
For the shadows of power
Monopolized by the hourCan you hear the party ranks
Doing their party pranks
'Cause now it's time
Evolution of the mindWell I miss the sun and I miss the sky
'Cause it's all been taken from our eyes
And I feel it's alright now
