

Beautiful (Main Version)

[Nick Lachey](#)

I see,
Looking for yourself tonight.
And I know,
Gonna sell your soul under the lights.
And I hear,
The emptiness that echoes in your cries.
Someday,
I'll pray that you finally realize. Your beautiful,
That's all that I can say.
Unforgettable,
I'm caught in every way.
Don't every let the mirror tell you lies,
Just look at your reflection through my eyes.
Your beautiful. It seems,
You always keep one foot outside the door.
So sad,
You gotta all but still you long for more.
And you cry,
So desperate for your place among the stars.
But why,
Just searching for what you already are. Your beautiful,
That's all that I can say.
Unforgettable,
I'm caught in every way.
Don't every let the mirror tell you lies,
Just look at your reflection through my eyes.
Your beautiful. Feeling your stars are drafted away from me,
Back to the empty place you used to be.
How do I get to you,
To you.....
That's all that I can say. by Princess
