Everything You've Done Wrong

Sloan

Do your time to pay the price
For every thing you've done wrong baby
In your life, you get so high
There's nowhere left to go but downDon't believe that no one cares
'Cause we're here waiting for you, baby
Do your time, and then come home for goodSo don't hide yourself away
Let it shine, let it shine
Don't hide yourself away
Let it shineIf you ever feel in doubt
You have a place in my heart, baby
If I ever feel left out
I know I've got a place in yoursDon't believe, that I wouldn't dare
To go and take you right back, baby
Do your time, and then come home for goodSo don't hide yourself away
Let it shine, let it shine
Don't hide yourself away
Let it shine, let it shineDon't hide yourself away
Let it shine, let it shine
Don't hide yourself awayDo your time to pay the price
For every thing you've done wrong baby
In your life, you get so high
There's nowhere left to go but downDon't believe that no one cares
'Cause we're here waiting for you, baby
Do your time, and then come home for good
Do your time, and then come home for good
Do your time, and then come home for good
