

To the Ends of the Earth

[Nat King Cole](#)

To the ends of the earth,
I'll follow my star.
To the ends of the earth,
Just to be where you are.No matter where you roam,
I'll never be far behind
Who cares where the path may wind
As long as I find you?Though the melody dies,
The song lingers on.
And a thousand goodbyes
Won't convince me you're gone.I'll follow you, my love
You'll never be free,
To the ends of the earth,
Till you've given your love to me.(To the ends of the earth
I'll follow my star
To the ends of the earth
Just to be where you are.)No matter where you roam,
I'll never be far behind
Who cares where the path may wind
As long as I find you?Though the melody dies (though the melody dies),
The song lingers on (the song lingers on)
And a thousand goodbyes (And a thousand goodbyes)
Won't convince me you're gone (won't convince me you're gone).I'll follow you, my love
You'll never be free,
To the ends of the earth,
Till you've given your love to me.
