

# Shake It Out

## Florence + The Machine

Regrets collect like old friends  
Here to relive your darkest moments  
I can see no way, I can see no way

And all of the ghouls come out to play  
and every demon wants his pound of flesh  
But I like to keep somethings to myself  
I like to keep my issues drawn  
Its always darkest before the dawn

And Ive been a foul and I have been blind  
I could never leave the past behind  
I can se no way, I can see no way

Im always dragging that horse around  
Our love is questioned such a mournful sound  
So tonight I'm gonna bury that horse in the ground  
Cause I like to keep my issues drawn  
Its always darkest before the dawn

Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
And its hard to dance with a devil on your back  
So shake him off, Oh woah

And I am done with my graceless heart  
so tonight I'm gonna cut it and then restart  
Cause I like to keep my issues drawn  
Its always darkest before the dawn

Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
And its hard to dance with a devil on your back  
So shake him off, Oh woah

And its hard to dance with a devil on your back (Shake it out)

And given half the chance would I take any of it back  
Its a fine romance but left me so undone  
its always darkest before the dawn

Oh woah  
Oh woah

And Im damned if I do  
And damned if I don't  
So heres to drinks in the dark at the end of my road oh  
And Im ready to suffer  
And ready to hope  
Its a shot in the dark aimed right at my throat cause  
Look out for heaven found the devil in me  
Looking for heaven for the devil in you  
But why the hell am I gonna let that happen  
To me yeah--

Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
And its hard to dance with a devil on your back  
So shake him off, Oh woah

Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
Shake it out, Shake it out,  
Shake it out, Shake it out, Oh woah  
And its hard to dance with a devil on your back  
So shake him off, Oh woah

Ooooohoo oohohoh x8
