Mainline

Jesse James Dupree

I got my greasy little fingers
Pressing down on the keys
Gateway to the world any website please
I'm a pissed postal worker

Paper cuts on my thumb
Access information
Build a fertilizer bomb yeah
Are you sure, press enter

Searching, download complete
Mainline, my mind online
How to live, how to love, how to kill, yeah
Mainline, my mind online

How to walk, how to talk, how to breathe, yeah
How to touch, how to fuck, how to feel, yeah
How to live, how to love, how to kill, yeah
Yeah, yeah, yeah

Got my greasy little mind
Focused on your credit line
URL there you are
Add the 9, your credit's mine

Computer religion
A hacker's paradise
Why should I work
Your 8 hours will suffice

Are you sure, press enter
Searching, download complete
Mainline, my mind online
How to live, how to love, how to kill, yeah

Mainline, my mind online
How to walk, how to talk, how to breathe, yeah
How to touch, how to fuck, how to feel, yeah
How to live, how to love, how to kill, yeah

Yeah, yeah, yeah
I got my greasy little fingers
Pressing down on the keys
Accessing porn, accessing sleaze
Virtual wrong, virtual right

Virtual, virtual love
Mainline, my mind online
How to live, how to love, how to kill, yeah
Mainline, my mind online
How to walk, how to talk, how to breathe, yeah

How to touch, how to fuck, how to feel, yeah
How to live, how to love, how to kill, yeah
How to walk, how to breathe, how to talk, yeah
How to live, how to love, how to kill, yeah
How to touch, fuck, feel

Yeah, yeah, yeah
Yeah, yeah, yeah
