

# Lean On

[Ali Brustofski](#)

Do you recall, not long ago  
We would walk on the sidewalk  
Innocent, remember?  
All we did was care for each other But the night was warm  
We were bold and young  
All around the wind blows  
We would only hold on to let go Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on What will we do when we get old?  
Will we walk down the same road?  
Will you be there by my side?  
Standing strong as the waves roll over When the nights are long  
Longing for you to come home  
All around the wind blows  
We would only hold on to let go Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on All we need is somebody to lean on  
All we need is somebody to lean on Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on
