Be Your Girl

Teedra Moses

Don't know if you got a girl
Don't mean to disrespect but
Thoughts of you rule my world
I even dream of you, I swear
Visions of you and I
See you all around my way
Been meaning to say "Hi" but
I'm just way too shy
I gotta make you see this is
More than just a silly crush
(And I...) Wonder if you even notice me and
(Oh..) You gotta feel me
(And I...) Would love you good.
(Just wanna be your girl)
All alone at night
I habor feelings for you
Holding my pillow tight
Sometimes I even touch myself
Imagining your pleasure baby.

Next time I see you I'm
Gonna walk right up to you and
Say what's on my mind
I gotta make you see, this is
(More) than just a silly crush
(And I...) Wonder if you even notice me and
(Oh..) You gotta feel me
(And I...) Would love you good.
(Just wanna be your girl)
I wonder if you even notice me
Ooh you gotta feel me
I would love you good
(Just wanna be) (Just wanna be)
(Just wanna be) your girl
(And I...) Wonder if you even notice me and
(Oh..) You gotta feel me
(And I...) Would love you good.
(Just wanna be your girl)
