

# Hold On We're Going Home

Roman Lob

[Bridge]

I got my eyes on you, you're everything that I see  
I want your hot love and emotion endlessly  
I can't get over you, you left your mark on me  
I want your high love and emotion endlessly[Hook: Drake]  
Cause you're a good girl and you know it  
You act so different around me  
Cause you're a good girl and you know it  
I know exactly who you could be  
Just hold on we're going home  
Just hold on we're going home  
It's hard to do these things alone  
Just hold on we're going home I got my eyes on you  
You're everything that I see  
I want your hot love and emotion endlessly  
I can't get over you  
You left your mark on me  
I want your hot love and emotion endlessly[Hook: Drake]  
Cause you're a good girl and you know it  
You act so different around me  
Cause you're a good girl and you know it  
I know exactly who you could be  
Just hold on we're going home  
Just hold on we're going home  
It's hard to do these things alone  
Just hold on we're going home You're the girl  
You're the one  
Gave you everything I love  
I think there's something, baby  
I think there's something, baby You're the girl  
You're the one  
Gave you everything I love  
I think there's something, baby  
I think there's something, baby Cause you're a good girl and you know it  
You act so different around me  
Cause you're a good girl and you know it  
I know exactly who you could be  
Just hold on we're going home  
Just hold on we're going home

It's hard to do these things alone  
Just hold on we're going home
