

What You Want Me To Do

Mighty Sam McClain

Hey hey pretty mama
What do you want me to do
I gave you all of my loving
Girl I gave it all to you You left me crying
Holding my hands
Came back to say hello
Lord girl you had another man awe What you want me to do
What you want me to do
What you want me to do
Do Love is strange
You know love is strange
As soon as you got it figured out
You know it gone again baby Love is so strange
Oh love is some kind of strange
You say you love me you say you love me
But it's hard to understand baby
Come on y'all yeah What you want me to do
What you want me to do
What you want me to do
Do Yeah Ha ha ha Do you want me to leave
Do you want me to stay
Whatever you want whatever you want
You know you got your own way baby But baby don't wait
Girl don't you wait too long
'Cause if you wait
If you wait too long
I just might be gone
I just might be gone baby
Come on What you want me to do
What you want me to do
What you want me to do You've got to tell me baby
What you want me to do
Don't you know by now that I love you
Don't you know by now that I need you
Don't you know by now that I want you
Don't you know by now that I've got to have you You've got to tell me baby
You've got to tell me baby
What it is you want me to do
Oh what you want me to do baby

Ah what you want me to do darling I'm tired baby
I've got to know baby
I want to know woman
I want to know baby
What it is you want me to do
