Blink

Revive

Teach me to number my days
And count every moment
Before it slips away
Take in all the colors
Before they fade to greyI don't want to miss
Even just a second
More of thisIt happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?It happens in a blink
It happens in a blinkWhen it's all said and done
No one remembers
How far we have run
The only thing that matters
Is how we have lovedI don't want to miss
Even just a second
More of thisIt happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?It happens in a blink
It happens in a blink
It happens in a blink
It happens in a blinkSlow down
Slow down
Before today becomes
Our yesterdaySlow down
Slow down
Before today becomes
Our yesterdayIt happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?It happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?It happens in a blink
It happens in a blink
It happens in a blink
It happens in a blink
