

# Behind The Wall Of Sleep

## Black Sabbath

Vengence cupped within the flower  
Deadly petals with strange power  
Faces shine a deadly smile  
Look upon you at your trialChill that numbs from head to toe  
Icy sun with frosty glow  
Words that go read to your sorrow  
Words that go read no tommorowFeel your spirit rise with the breeze  
See your body falling to it's knees  
Sleeping wall of remorse  
Turns your body to a corpse  
Turns your body to a corpse  
Turns your body to a corpse  
Sleeping wall of remorse  
Turns your body to a corpseNow from darkness there springs light  
Wall of sleep is cool and bright  
Wall of sleep is lying broken  
Sun shines in you have awoken
