

# New Disorder

## Criminal

Primitive nature of man  
Violent  
Hatred building within  
Oppressed  
Powerless slaves of the state  
Controlled  
Sudden explosion of hate  
RevoltRelease from authority  
Into savagery[Chorus]  
Rage - Fear - hate  
No world order  
Rage - Fear - hate  
New disorderYears of repressed grief  
Diseased  
Wars for race and belief  
Unleashed  
Blind leading the blind  
Anarchy  
Suffocating the land  
MiseryRelease from authority  
Into savagery[chorus]
