

Regret

John Frusciante

i regret my past
my past
i regret my past
to her
i regret my past
to her
i regret my past
to her stay alone
stay alone
stay alone
stay alone
stay alone
i regret my past
to her
i regret my past
to her
i regret my past
to her
i regret my past
to her stay alone
stay alone
stay alone
stay alone
stay alone
