

Don't Speak Liar

We The Kings

Just sit back and tell me
I'm a liar for this
Don't roll your eyes, rewind
This happens way too many times
So sit back and tell me that you're tired of this
I know I'll grow up some
But it's 2 am and I'm too high and dry
And I won't come down to
So when I come back I won't say a word
I know I've said this before
Don't speak, liar
No, we won't talk, we won't say a word
I know, you've heard this before
Don't speak, liar
Sit back and tell me why I'm so prone to this
Do you think I'm fond of
Getting you and letting you down
And I'll get mine soon
So when I come back I won't say a word
I know, I've said this before
Don't speak, liar
No, we won't talk, we won't say a word
I know, you've heard this before
Don't speak, liar
And if the story ends here
I can't be surprised to find
Your eyes are open wide
And that I have inspired you
And when you come back, don't say a word
I know, you've said this before
Don't speak, liar
No, we won't talk, we won't say a word
I know, you said this before
Don't speak, liar
Don't speak, liar
Whoa oh, don't speak, liar
