Someone Like You

[Boys Like Girls](#)

I'm wearing thin, I couldn't tell you the city I'm in

The streets and the buildings and places I've been

Or when the stars go when it's daylight again

Or where the time went, oh, who can save me now?My life in the rear view, I'm runnin' from Jesus

Don't know where I'm goin' to

I got nothin' to lose, I'm fightin' my demons

Been lookin' for someone like you

I've been lookin' for someone like youSo sing me a song I know all the words to

And I'll sing along, could you be my savior?

I've been out here too long

And I've just been lookin' for somewhere to belong

Barely holdin' on, so can you save me now?My life in the rear view, I'm runnin' from Jesus

Don't know where I'm goin' to

I got nothin' to lose, I'm fightin' my demons

Been lookin' for someone like you

I've been lookin' for someone like youWhen the stars explode and I'm all alone

When they start to see the smoke

When I've finally burned out

I'll need someone to carry me home safe and soundMy life in the rear view, I'm runnin' from Jesus

Don't know where I'm goin' to

But I got nothin' to lose, I'm fightin' my demons

Been lookin' for someone like youMy life in the rear view, I'm runnin' from Jesus

Don't know where I'm goin' to

I got nothin' to lose, I'm fightin' my demons

Been lookin' for someone like youI've been lookin' for someone like you

I've been lookin' for someone like you
