

# 46 Days

# Phish

Leigh Fordham sold me out  
 46 days and the coal ran out  
 Please come round here another day  
 Sit yourself down when you're ready to stayShe dug down when they took the town  
 Lookin' for clues but they couldn't be found  
 Leigh found out she was ready to roam  
 47 days and the coal came homeTaste the fear, for the devil's drawing near  
 Taste the fear, for the devil's drawing near46 days and the coal ran out
