

# Happy Being Me (ft. Pauletta Washington)

Angie Stone

Looking back on when I started  
Had a lot of sun and a lot of rain  
I had some joy and broken hearted  
But now that doesn't mean a thing  
I'm living for the joy and laughter  
Longing for my befores and afters  
All in all it's been cool  
And there's nothing I wouldn't do  
I'm so happy being me[Chorus]  
Oh  
So happy being me  
I'm regretting noting about me  
Too busy living life, living love, freely  
So happy being me Stop reaching back from your beginnings  
All those broken dreams that went down stream  
As we grow, live and know  
Some things were never meant to be  
Just like people they come and go  
Some will live forever and some will never know  
That's why god gives us memories  
To leave us to our victories  
I'm so happy loving me[Chorus] All those hidden treasures  
Feeling nothing but pleasure  
We could never replace, is love (We can't no we can't no)  
The sunlight leads us to a place and moonlight keeps us in it's grace  
I'm so happy being me[Chorus]
