Sweet F.A.

Love And Rockets

I was rollin down the window of my car
And I was thinkin where the game had got me so farDoesn't matter where you're goin or where you're comin from
Or is your life just like a grain of sand?
Fuck all elseWell, I was rollin down the highway of my dreams
And I was wonderin 'bout Hollywood sunsets and the silver screenDoesn't matter where you're goin or where you're comin from
Or is your life just like a grain of sand?
Fuck all elseDoesn't matter where we're goin or where we're comin from
Or is your life just like a grain of sand?
Fuck all elseRollin down the highway in a dream
I was rollin down the highway in a dream
Just rollin down the highway in a dreamJust rollin, just rollin'
Just rollin, just rollin'
