Gabriel

Bear's Den

It's a part of me, Gabriel,
I wish I could deny
A face that I
Can barely recognize.He lives inside of me, Gabriel,
Everyday of my life
And I can hear him
Screaming in the night.It's just a shadow,
Cast from all the light
Wherever I go
He's never far behind.And in the darkness
I lose him every time
In the dark
The two of us combine.Chorus
Is this all I am?
And all I ever was?
All that he has won,
Is all that I have lost.
Won't you hear me out, Gabriel?
Can't you see the shape I'm in?
Just don't leave me alone.
Just don't leave me alone.It's a part of me, Gabriel,
A stranger in the night
All that I have done,
Will I ever reconcile?It's not just a shadow
But a life I left behind
The person that I am,
Yet most despise.Chorus x2
