If It Rains

Basia Bulat

I don't mind if it rains
I don't mind if it rains
If I leave my friends where I found them
Could I make my soul a mountain
Could I tell them not to worry if it rains?
The road is try up ahead
But the sun might burn me to death
Could the love I have be all gone?
Well the only way to find out
Is to hold them where the sun can't dry them out.
If I never ask for more
Still they say they're sure -
Everyone has said those words
Even I've heard them before.
If it's easier just to run
I'm as hurried as everyone,
But somehow you'll know
When the wind's blowing colder
They'll turn around slower and say to you -
I don't mind if it rains
I don't mind if it rains
You can leave your friends where you found them
For your soul is still a mountain
And you can tell them not to worry if it rains.
