It's a Jungle out There

Randy Newman

It's a jungle out there
Disorder and confusion everywhere
No one seems to care
Well, I do
Hey! Who's in charge here?It's a jungle out there
Poison in the very air we breathe
You know what's in the water that you drink?
Well I do, and it's amazingPeople think I'm crazy, 'cause I worry all the time
If you paid attention, you'd be worried too
You better pay attention
Or this world we love so much might just kill you
I could be wrong now, but I don't think so
'Cause it's a jungle out there, it's a jungle out there
It's a jungle out there
Violence and danger everywhere
It's brother against brother pounding on each other
Like they were millionairesIt's a jungle out there
It's a jungle in here, too
You gonna tap out on your phone
That microphone, that camera checking out everything you doCall it paranoia, as the saying goes
Even paranoia's an enemy
I'm not the one who's crazy, I'm not afraid to live
They're afraid of you and me
I could be wrong now, but I don't think so
'Cause it's a jungle out there
Yeah, it's a jungle out there
It's a jungle out there
Even the cops are scared today
So if you see a uniform
Do exactly what they say
Or make a run for itI'm only kidding with you!
'Cause it's a jungle out there
It's a jungle out there!
