Smiley Face (it's All Good)

Bowling For Soup

Make me something out of nothing, you're good at that.
I could be tripping but I think it's time we got back
To being apart if you want to.
Back and forth like a pinball stuck between
Those rubber bumpers on the top of the machine.

We can call it a day if you want to.
We can run away if you want to.

It's okay, it's all good.
You get a smiley face for showing your good side,
We're going worldwide.
You know you can't shake it,
Why don't we just get naked?

We go together like peanut butter and jam,
And most days there's no doubt I'm your biggest fan.
I buy you flowers and gum 'cause I want to.

You hold my hand on roller coasters 'cause you get scared
And when you throw up 'cause it makes you sick, I hold your hair.

You tell me your fine, but I want to.
You can be mine if you want to.

It's okay, it's all good.
You get a smiley face for showing your good side,

We're going worldwide.
You know you can't shake it,
Why don't we just get naked?

If everything's fine, why don't we just get
Naked in the front yard,
Naked on our Christmas card,
In the pool, in the hall,
In the fountain at the mall,
Naked selling lemonade,
Marching in the Macy's Thanksgiving Day Parade.

It's okay, it's all good.
You get a smiley face for showing your good side,
We're going worldwide.
You know you can't shake it,
Why don't we just get naked?

It's okay, it's all good.
You get a smiley face for showing your good side,
We're going worldwide.
You know you can't shake it,
Why don't we just get naked?
