

Soulfully

Jimmy Buffett

You give me all you got
And that's a lot
Yes, I understand
That I'm a lucky man
To have you in my life
You make me feel so free
Soulfully I know you can be tough
But just enough
Yes, you're tender too
You know just what to do
Give me what I need
Soulfully
(Soulfully)
With smiles and laughter
(Soulfully)
With words so kind
(Soulfully)
Here ever after
(Soulfully)
Say you'll be mine I send a little prayer
Way up there
A prayer of gratitude
To give my thanks for you
And all the love you bring
Soulfully
(Soulfully)
With smiles and laughter
(Soulfully)
And words so kind
(Soulfully)
Here ever after
(Soulfully)
If you'll be mine I'll never feel alone
I'm at home
Wrapped up in your arms
Your lovin' charms
Kisses oh so sweet
That you give to me
Soulfully (Soulfully)

With smiles and laughter
(Soulfully)
And words so kind
(Soulfully)
Here ever after
(Soulfully)
Say you'll be mineSoulfully
Ahh
