

Blue Water

Sawyer Fredericks

For you
This is for you
This is for you
This is for you

Someone
Should be
For you
For you
If you were an angel
You would be
The highest star
In my sky

If you were a dream
Iâ€™d catch you
In my dream
Catcher

You would be
For me
Only me
Just me

You would be blue
Blue water
In the ocean
The sun would shine
On you
Only you
Just you
Just you

You would be
Blue
Blue
Blue water
You would be
Blue water
You would be

You would be
Blue water
