

# It's A Miracle

Roger Waters

Miraculous you call it babe, you ain't seen nothing yet  
They got Pepsi in the Andes, they got Mc Donald's in Tibet  
Yosemite's been turned into a golf course for the Japs  
And the Dead Sea is alive with rap  
Between the Tigris and Euphrates there's a leisure center now  
They got all kinds of sports, they got Bermuda shorts  
They had sex in Pennsylvania, a Brazilian grew a tree  
And a doctor in Manhattan saved a dying man for free  
It's a miracle, it's a miracle  
It's a miracle, another miracle  
By the grace of God Almighty  
And the pressures of the marketplace  
The human race has civilized itself  
It's a miracle  
We got warehouses of butter, we got oceans of wine  
We got famine when we need it, we got designer crime  
We got Mercedes, we got Porsche, Ferrari and Rolls Royce  
Yeah, we got choice  
She said meet me in the garden of Gethsemane my dear  
  
The Lord said, "Peter I can see your house from here"  
An honest man finally reaped what he had sown  
And a farmer in Ohio has just repaid a loan  
It's a miracle, it's a miracle  
It's a miracle, another miracle  
By the grace of God Almighty  
And the pressures of the marketplace  
The human race has civilized itself  
It's a miracle  
We cower in our shelters  
With our hands over our ears  
Lloyd-Webber's awful stuff runs for years  
And years and years and years and years  
An earthquake hits the theater  
But the operetta lingers  
Then the piano lid comes down  
Breaks his fucking fingers  
It's a miracle
