You Needed Me

Ferlin Husky

I cried a tear, you wiped it dry
I was confused, you cleared my mind
I sold my soul, you bought it back for me
And held me up and gave me dignity
Somehow you needed meYou gave me strength to stand alone again
To face the world, out on my own again
You put me high upon a pedestal
So high that I can almost see eternity
You needed me, you needed meAnd I can't believe it's you, I can't believe it's true
I needed you and you were there
And I'll never leave, why should I leave? I'd be a fool
'Cause I've finally found someone who really caresYou held my hand when it was cold
When I was lost, you took me home
You gave me hope when I was at the end
And turned my lies back into truth again
You even called me friendYou gave me strength to stand alone again
To face the world out on my own again
You put me high upon a pedestal
So high that I can almost see eternity
You needed me, you needed meYou needed me, you needed me
You needed me, you needed me
