Black And Blue

Sonic Syndicate

Why did you want me to be there?
Yesterday you changed my destiny
Controlled by the moon
If I would have known, I would have been there
For you, my baby, for youBlack and blue, I bled for you
Still better tell me what to do
It's a dedication with a human heart
You dragged me down for one last time
Well, I'll be yours and you'll be mine
But after sunrise, I'll turn to stoneMy proposition is unconditional
And it ends tonight, need a body to explore
I tried to keep my cool but your frozen skin is
Magnetic to me, hold onBlack and blue, I bled for you
Still better tell me what to do
It's a dedication with a human heart
You dragged me down for one last time
Well, I'll be yours and you'll be mine
But after sunrise, I'll turn to stoneYeah, yeahAnd now, I'm caught in a web
Visions in my head.
Truth is calling me, I'm searching for myself
And now, I'm caught in a webVisions in my head
Truth is calling me, I'm searching for myself
Let goBlack and blue, I bled for you
Still better tell me what to do
It's a dedication with a human heart
You dragged me down for one last time
Well, I'll be yours and you'll be mine
But after sunrise, I'll turn to stoneBlack and blue, I bled for you
Still better tell me what to do
It's a dedication with a human heart
You dragged me down for one last time
Well, I'll be yours and you'll be mine
But after sunrise, I'll turn to stoneBut after sunrise
But after sunrise
