Winnebago Warrior

Dead Kennedys

Roughin' it in the great outdoors
Guidebooks tell us where to go
Winnebago WarriorSlow down traffic, climbing hills
30 gallons to the mile
Honey, quick the PolaroidWinnebago Warrior
Brave as old John Wayne
Winnebago Warrior
A true Yankee pioneerStop at Stuckey's for a meal
Blab all day on the CB
Winnebago WarriorLittered camp grounds, folding chairs
Feed Doritos to the bears
Honey, quick the PolaroidWinnebago Warrior
Brave as old John Wayne
Winnebago Warrior
A true Yankee pioneerKill some fish down by the creek
Hang their picture by the sink
Show your grandson who's the bossTie your two toat-goats to the front
U-Haul trailer full of souvenirs
That you buy along the wayWinnebago Warrior
Brave as old John Wayne
Winnebago Warrior
A true Yankee pioneer
Yankee pioneer
