

Shake It Loose

Y&T

Oh, alright

Shake it, shake it, shake it, shake it, shake it, yeah Well, I'm all fired up and I'm getting really ready to burn
If you think I'm stayin home, you gotta, gotta, gotta lot to learn
Everybody's jammin' tonight, gonna smoke this town
Can't take it? Oh, don't want you hangin' around
Oh, well, I'm ready right now Shake it loose, shake it loose
All around, yes, we're havin' a ball tonight
Shake it loose, ridin' high Havin' so much fun must be against the law
'Cause the music's so loud, it's when it cracks the wall
Ain't leavin' till I'm leavin and I ain't even started yet
Get wild and insane as you can get
Oh well, I'm ready right now Shake it loose, shake it loose
All around, yes, we're havin' a ball tonight
Well, shake it loose, ridin' high Well, let's burn one now Shake it loose, shake it loose
All around, yes, we're havin' a ball tonight
Shake it loose, ridin' high Oh, let's shake it
Shake it, shake it, shake it, yeah
Shake it, shake it, shake it, yeah
Shake it, shake it, shake it, yeah Shake, shake, shake, shake
Shake it, shake, shake it, shake
Shake, shake, shake it, shake
